

RELIABLE REMOTE RN LED HIPAA COMPLIANT

Supporting Hospice Agencies Nationwide

Struggling to Keep Up with Compliance, Coding, and Documentation?

Let us help you stay survey-ready, protect your revenue, and ease the pressure on your internal team — without the cost of full-time staffing.

OUR SERVICES INCLUDE:

ICD-10 CODING REVIEW & DIAGNOSIS MAPPING

Accurate, defensible, and audit-ready diagnosis coding tailored to each hospice patient.

SURVEY READINESS AND COMPLIANCE PREP

Mock surveys, documentation reviews, and policy support to help you feel confident and ready.

CLINICAL DOCUMENTATION REVIEW

Ensure eligibility and compliance with Medicare standards through expert clinical audits.

STAFF EDUCATION & TRAINING

Customized, relevant education to elevate your team's clinical and compliance performance.

QAPI PROGRAM SUPPORT

Guidance, tools, and reporting to strengthen your quality program and meet CMS expectations.

POLICY AND PROCEDURE UPDATES

Clear, current, and CMS-aligned — without the headaches of writing them from scratch.

SPECIALTY PROGRAM DEVELOPMENT

Memory care, legacy projects, and other customized programming to enhance your services.

ADR & TPE RESPONSE PREPARATION

Expert help with ADR and TPE audit documents to improve outcomes and minimize risk.

Why Choose Us?

- RN Led with Hospice Leadership Experience
- Cost Effective Alternative to Full Time Staff
- Fully Remote and HIPAA Compliant
- Perfect for Small to Mid-Sized Hospice Agencies
